Competition

#grubtake5

Grub has multiple personalities depending on the season, day, hour and your table pozzy. We encourage you to share your take on Grub for the Summer edition of Take 5.

How it works:

Upload your image to Instagram, tag @grubfitzroy and use the hashtag #grubtake5. At Summer's end 5 prizes will be awarded to our fave in each category.

1. *Eat*

Show us how good our food looks! Best food-themed pic wins a \$250 Made in Japan voucher.

2. *Drink*

Images of hot, cold, naughty and nice beverages welcome. A bounty of Four Pillars gin for the winning image.

3. *Fauna*

Best fauna snap (dogs, humans, bees; any 'animal' in the Grub habitat) wins a new Crumpler accessory.

4. *Flora*

Grub is flora abundant! Winner of our fave pic wins some swag from local label To Barywn and Back.

5. *Grub Summer*

We're also looking for one image that sings the tune of Grub Summer, on repeat! We're inviting the winner of this category, plus 3 friends, back for a three course Grub indulgence.
